Conspiracy

Against your life and health is a danger to be dreaded. The germs of disease are many and active. Disregard their presence in the system and before long they will openly attack you.

Williams' Little Liver Pills

Offer a ready means of seeking out and expelling these enemies of the human body. Williams' Little Liver Pills stimulate the action of the liver and cleanse the bowels, but never gripe or distress. They are unequalled in locating impurities in the system. Constipation is not to be feared after this value has been discovered.

Saturday afternoon at 3 o'clock Rev. J. T. Betts will hold special services for children at the Baptist church. A loyal temperance legion will be organized at this meeting. Friends of temperance, old and young, are cordially invited to be present. The services Sunday afternoon will be specially for men.

There are a number of boys in Tallahassee with air guns, who are going around shooting mocking birds, blue jays and other birds indiscriminately. There is a State law against killing these birds at any time, and the boys had better stop the "sport." There is also a city ordinance that prohibits shooting inside the city limits. Aside from the wanton destruction of our feathered songsters, it is a dangerous practice to shoot indiscriminately in the city, and should be stopped.

The services at the Baptist church have continued with increased interest. The Lord is blessing his word. There have forty odd professions of faith and twenty-nine have been added to the church. The hours for service are 4 p. m. and 7:45 p. m. On Sunday there will be three services. At 11 a. m. Mr. Betts will preach on "The Great Salvation," at 4 p. m. the sermon will be especially to men, about "Sin and Its Consequences." The meeting will close Sunday night. All are invited to these meetings.
